

BAHIA, BRAZIL PLANT

OWNED AND OPERATED BY BRIDGESTONE AMERICAS TIRE OPERATIONS

CAMAÇARI, BAHIA, BRAZIL

The plant has 11 years in the city of Camaçari in the State of Bahia, Brazil. It has received investments amounting to BRL 250 million, expanding its production capacity from 8,000 to 10,000 tires per day. The plant supplies tires not only to the Brazilian and Latin American markets, but also to North America. In addition, the plant's strategic location allows us to have a cost effective distribution of products to the Northern and North-eastern regions of the country, optimizing delivery times and logistics costs.
